

PECANWOOD  
ESTATE  
HOMEOWNERS ASSOCIATION

25 March 2020

Dear Residents.

There seem to be a lot of confusion surrounding the walking of dogs, jogging, cycling, playing, walking, etc., within the estate during the period of the lock down.

The presidential instruction says:

*No one will be allowed to leave their homes for the 21 days unless under strictly controlled circumstances, including seeking medical care, buying food, medicine or other supplies and collecting social grants.*

Pecanwood Estate HOA have no option but to comply with this decree at this stage. We believe the Minister of Health will in due course publish the regulations related to the movement of people (i.e. walking of dog, Jogging etc.). The PHOA will keep residents informed on the outcome of these regulations.

As for now, the communication released by the PHOA on Tuesday, 24<sup>th</sup> March 2020, will remain in place until otherwise advised by the PHOA.

Kind Regards.
