AT PECANWOOD

WHO WE ARE

We are a family-run food company built on passion, experience, and the belief that good food has the power to connect people. With over 70 years of combined experience in the restaurant and hospitality industry, Akis and Rita bring not only professional expertise but also a deep love for creating memorable experiences through food.

Our journey has taken us from running restaurants and cafés, to catering intimate events, to curating fresh, high-quality meals for communities. At the heart of everything we do is a commitment to fresh, quality ingredients, respect for food, and the joy of sharing meals with others.

OUR EXPERIENCE

Akis has over 40 years of experience in the restaurant and hospitality industry. From working with major brands to running his own establishments, his expertise spans fine dining, catering, golf clubs and hospitality management. Outside the kitchen, Akis is also an avid golfer with an understanding of the expectations that comes with running a golf club.

Rita brings 30 years of experience in restaurants and catering, with a special gift for creating welcoming, warm, and thoughtful experiences. She has a passion for detail and ensures every event or meal carries a personal touch.

Together, we have worked across local and international kitchens,
always guided by the same philosophy:
food should be fresh, wholesome, and bring people together.

OUR PASSION

We believe food is more than just a meal, it is an experience. It's about the human connection around the table, the laughter, the stories, and the memories made. That is why we take pride in:

- Using the freshest ingredients sourced with care.
 - Prioritising quality over shortcuts.
 - Creating meals that reflect not only taste but also health, balance, and joy.
